CHEVY TRAILBLAZER

S/S VALANCE

SPEED GRILLE INSERT

**VERY IMPORTANT !** Read and understand all directions and check the following parts list before starting installation.

**NOTE:** This Speed Grille fits Street Scene valance Part Number 950-70152 ONLY  
Use part number 950-77131 for factory bumper cover / valance.

#### PARTS LIST

|   |                      |   |                     |    |                                  |
|---|----------------------|---|---------------------|----|----------------------------------|
| 1 | Upper Grille Section | 1 | Instruction Sheet   | 12 | Installation Clips # 71098       |
| 1 | Lower Grille Section | 1 | Street Scene Emblem | 6  | Installation Clips # 71097       |
|   |                      |   |                     | 6  | Washer Head Self Drilling Screws |

#### TOOL LIST

1/2" Drill Bit, Drill Motor, Phillips Head Screwdriver

#### SPECIAL NOTE:

**we highly recommend installing the Speed Grille inserts into Valance before installing Valance on vehicle.**

1. Set lower Speed Grille insert into lower opening of valance. Take note of where grille contacts valance. It will be necessary to drill a 1/2" hole as close to the edge as possible at six points across the top and six points across the bottom to install the installation clips.

#### REFER TO ILLUSTRATION

2. Install the top Speed Grille into the opening. Attach the bottom side using the six short clips. Attach the top side by installing a screw through the grille opening and into valance. Use six screws on this operation.
3. Install the Speed Grille Emblem on grille face. Remove the protective cover.

THE SPEED GRILLE™ may be covered by one or more of the following U.S. Patents: D427,119,D425,834,D421,585,D420,961,D420,960,D420,959, and D420,958 may be covered by one or more pending U.S. Patent applications.
