INSTALLATION INSTRUCTIONS

VERY IMPORTANT ! Read and understand all directions and check the following parts list before starting installation.

PARTS LIST					
1	Center Grille Section	1	Instruction Sheet	10	11" Ladder Ties
1	RT Grille Section	1	Street Scene Emblem	1	Care For Grilles Sheet
1	LT Grille Section				

TOOL LIST

1. Open hood and remove the six fasteners across the top of the grille. Pull grille shell to release the eight push-in fasteners securing the grille shell. Four are located along the bottom and two are located at each vertical sides.
2. The Speed Grille will fit over the existing cross grids in grille. Remove the Nissan logo from the grille shell by depressing the tabs on the backside.
3. Set the Speed Grille on the face of grille shell. They will be fastened to the grille shell using the ladder ties supplied. Look at the photo below to determine where to fasten. Loop the ties through the loop on Speed Grille and then as pictured in photo. Install all ladder ties loosely, before pulling tight. Cut off excess.
