INSTALLATION INSTRUCTIONS

VERY IMPORTANT ! Read and understand all directions and check the following parts list before starting installation.

PARTS LIST

1	Billet Insert	1	Instruction Sheet		
8	Tinnerman Nuts				
8	# 8 X 3/4" Screws				

TOOL LIST

Drill Motor, 1/8 Drill Bit, Phillips Screwdriver, Cut Off Wheel With Disk, Sand Paper

1. Open hood and remove the grille shell.
2. Next you will need to cut out the center of the grille shell as shown below.

3. Use a cut off wheel with disk and cut the inside of the grille shell. Make sure you take your time to do this. Be careful not to scratch the grille shell. After you cut out center sand to a smooth finish.

4. This is what your shell should look like after you cut the center out.

5. Now place the Street Scene Billet grille insert into the hole from the front of shell. You will note where the mounting posts are. Use the 1/8" drill bit to drill holes for the mounting posts. Use the screws and tinnerman nuts to install the insert to the grille shell.

6. After all screws are installed install grille shell back on vehicle.
